

## **JOHN JUSTIN A. RECELLA**

Computer Engineering Student

recella.johnjustin@marsu.edu.ph

Brgy. Lapu-Lapu, Santa Cruz, Marinduque

21 years old

July 24, 2004

### **About Me**

A motivated and goal-oriented Computer Engineering student at Marinduque State University with a strong foundation in programming, circuit design, and embedded systems. Experienced in developing projects that integrate hardware and software for automation and real-world applications. Skilled in teamwork, problem-solving, and adapting to new technologies. Passionate about creating innovative and practical solutions that address societal needs while continuously expanding technical expertise.

### **Education**

#### **Bachelor of Science in Computer Engineering**

**Marinduque State University** (2022 - PRESENT)

#### **Senior High School**

**Santa Cruz Institute** (2020 – 2022)

#### **Junior High School**

**Santa Cruz Institute** (2016 – 2020)

*With Honors*

#### **Primary Education**

**Santa Cruz East Central School** (2010- 2016)

*Salutatorian*

## **Achievements & Certifications**

- Civil Service Exam Passer - Professional Level (March 2023)
- 10 Hours BOHS Training Course for SO1 (April 2025)

## **Seminars & Trainings**

- Fundamentals of Image processing using Open CV and Matlab (2023)
- Toxic Productivity: When Working Hard Becomes Harmful (2 hours) (April, 2025)

## **Skills**

### **Technical Skills**

- **Embedded Systems & IoT:** Arduino, Raspberry Pi, Microcontrollers, Automation Systems
- **Programming:** Python, C/C++, HTML, CSS, JavaScript
- **Engineering Fundamentals:** Circuit Design, Troubleshooting, Cybersecurity Basics, System Integration
- **Tools & Platforms:** Cisco Packet Tracer, GitHub, VS Code

### **Soft Skills**

- Strong Team Collaboration & Project Coordination
- Analytical Problem-Solving & Critical Thinking
- Adaptability in Fast-Paced and Multidisciplinary Environments
- Time Management & Goal-Oriented Mindset
